

Great American Gardens

Gardens have always been cherished by Americans, from early colonial dooryard plots brimming with flowering herbs to the spectacular sculptural gardens that grace more formal landscapes today. All across the United States gardeners have adapted to the demands of local soil and climate conditions to produce amazing combinations of blooms and shrubs. Here is a visual celebration of every kind of American garden, including such highlights as: -- A restored rectors garden in New England-- The grounds of historical sites such as Monticello and Colonial Williamsburg-- The azalea-filled plantation gardens of Charleston-- Mission gardens of the West and Southwest-- Extravagant estate gardens of Vizcaya and Hearst Castle With more than 84 full-color photographs of North Americas most breath-taking gardens, this volume is a tribute to Americas unique historical heritage.
