

The Gun Digest Book of Assault Weapons, Fifth Edition

This is the latest word on true assault weaponry in use today by international military and law enforcement organisations. The authors report on the changing mission of these weapons and then test many of them during the preparation of exclusive performance reports. Students of the worlds assault weaponry will find fresh information on trends and applications, as well as discussion and evaluation of the very latest firearms: Rifles, Submachine Guns, Crew-Served Machine Guns, Combat Shotguns - plus a very educated look into the 21st century.
