

Dig Up a Dinosaur Stegosaurus

You're a fossil hunter and you've just discovered a Stegosaurus. Learn more about this amazing dinosaur, then press out the model pieces and fit them together just like a real paleontologist and build a fantastic model of a Stegosaurus. Learn about Stegosaurus and other dinosaurs. Find out their size, what they ate, how they lived, and how they defended themselves from attack. The dinosaur model is presented as bones in a rock, so the reader can excavate them and then slot them together. Fun text and really interesting facts make the prehistoric world feel very real. There are six model boards in the book, and really clear instructions on how to build your Stegosaurus model.
