

# Lets Chat! ESL Dialogues

Audio CD-ROM will accompany this book. Attached to inside front cover in clear envelope. This book presents sample dialogues for speaking on the phone, greetings and farewells, compliments, general small talk, and other common personal interactions. It will also include teacher tips for setting up dialogue situations in the classroom and suggestions on how to use the companion CD. This book will come with an audio CD that includes proper pronunciation of the dialogues. Students will be able to listen to the dialogue and then role-play the scene themselves. The book will include a non-language icon and a number by each dialogue so that students know which track to play for each scenario. This title is for Intermediate English Language Learners.
