

Instant Teen: Just Add Nuts, Vol. 4

Natsumi is a regular girl, except for one little detail--she transforms into a hot, curvy woman when she eats scientifically engineered experimental Miracle Nuts! A fifth-grader one minute, a supermodel look-alike the next, Natsumi isn't sure who she truly is or where she really belongs. The only person whom she always feels totally herself around is her childhood friend Asuma. But when he tells her that he's going to move to another town, will she lose her best friend forever?!
