

# Subira Subira

When Tatu finds she can do nothing to improve her little brothers hateful behavior and make him happy again, she goes to an old spirit woman for help. The spirit woman tells Tatu that to cure Maulidi, she must pluck three whiskers from a lion! Armed only with a song, Tatu steals out into the moonlit night to undertake her impossible task. Acclaimed storyteller Tololwa M. Mollel sets his satisfying retelling of a traditional folktale in contemporary Tanzania, beautifully depicted in Linda Saports lush illustrations. An authors note and the music for Tatus song follow the story.
