

The Last Witness (JM Mystery-Thriller Series Book 3)

Elena Waldren has a secret that she's built fences around for the last twenty-nine years and kept from everyone. Through her work with an aid agency, her fears about the plight of a young girl placed with a nearby family finally set her on a quest to uncover the past that she's pushed away for so long. A quest that leads her into the dangerous heart of Montreal's leading crime family, the Lacailles. The Lacaille brothers are at odds over their business aims for the future. Caught in the middle is the money-man holding the key to legitimizing their enterprises, Georges Donatien. But as much as Donatien could be their saviour, he is also the last witness to a murder that could bring their empire crashing down.

Distinctively written all the forceful energy of the best thrillers. - Kirkus Reviews.

Gripping, pulse-racing. A police department's determination to bring down a leading crime family merged with one woman's quest to uncover a secret past... Brilliant! - Evening Herald. If you think in terms of the sort of woman in jeopardy mysteries that Nicci French writes so well, blended with a harder-edged Sopranos-style thriller, then you'll have nailed the heart of this story. Strongly sketched characters and emotions make this one stand out from the pack. - Murder One. ... a novelist of real accomplishment.
